

CABOT

WARRANTY

LIMITED LIFETIME WARRANTY

Cabot Fire Pits warrants to the owner that should a fire pit or wall block, installed according to our installation guidelines, prove defective it will be replaced without cost. Replacement labor is not included. This warranty is transferable with a valid proof of purchase.

Note

Efflorescence, a whitish, powder-like deposit that sometimes appears on concrete products, in no way affects the structural integrity of the fire pit or wall blocks and will wash and wear off over time. The use of concrete setting beds may also increase the possible occurrence of Efflorescence. Because this is a natural occurrence, Cabot accepts no responsibility or liability for this condition. Our products are made from natural, environmentally-friendly material, and therefore, variations in color may occur.

Excessive heat can cause concrete blocks to crack or blacken in color. Cabot accepts no responsibility or liability for blocks that have cracked or turned color due to excessive heat or flame exposure.
